

**PUBLIC NOTICE
CITY OF GEORGE
DETERMINATION OF NON-SIGNIFICANCE**

Description of proposal – The City of George’s Well No 4 Improvements Project will install new equipment in Well No 4 and replace/upsized an existing water main to provide the additional capacity needed to account for the loss of Well No 3 which ran dry. The equipment will include higher horsepower pumps and associated electrical and telemetry.

Location of proposal The project area is located at 138 North Garnet Way in the City of George Grant County Parcel No 030969162.

The City of George has determined that this proposal will not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030. We have reviewed the attached Environmental Checklist, and Fish and Wildlife Service Species list.

This determination is based on the following findings and conclusions:

The project will ensure that Best Management Practices (BMPs) are used during all aspects of constructions. No adverse effects were found related to the proposed project or existing conditions.

This DNS is issued under WAC 197-11-340(2) and the 14-day comment period will end on October 18 2023

Gerene Nelson (Mayor), PO Box 5277 George, WA 98824, 509-785-5081
