WATER SYSTEM PLAN AMENDMENT PRESENTATION

"Home of the World's Largest Cherry Pie"

Date and Time of Presentation: September 16, 2025, 7:00PM

Location of Presentation: George Community Hall
403 W Montmorency Blvd
George, WA 98824

Purpose of this Presentation:

This presentation will summarize the City's Water System Plan Amendment, which adds the City's Well 3 Replacement project to the City's 2017 Water System Plan. It includes an overview of the issues with the current Well 3, a discussion of the options to upgrade or replace Well 3, a description of the planned project, and financing options.

Please Note: Public comment will be received after the presentation.
